

**Cape Owners Group
07000 Chapter
April 2007 Meetup
Summary**

Place:

Lakeside Pub

Wayne NJ

April 17th 2007 19:30

General:

It is a testament to the quality of the people of this group that even in the face of the third worst flooding in the last 30 years in North NJ 15 people were able to make it to the meeting. Needless to say, with the near impossible conditions travel conditions contributing to the low turnout, a 'normal' meeting was not in the cards.

The people that did attend, including two new couples, made it a fruitful and enjoyable time. The formal agenda was scrapped in favor of informal discussion and story telling.

Conclusion:

Even with a small contingent of Cape Coral owners can be productive.
